NOTES ON THIS U.S. NATIONAL STAGE PATENT APPLICATION**Notes on the priority applications**

The US declaration lists three earlier British applications. The second application (0308932.3 of Apr 17, 2003) claimed priority from the first (0219079.1 of Aug 16, 2002). The third application (0319343.0 of Aug 18, 2003) claimed priority from the first and second. The PCT application claimed priority from the second and third application, but not the first, which was abandoned before publication. The present PCT filing date of Apr 19 2004 is within the priority claiming period of the second application because the 12-month nominal deadline of Apr 17 2004 fell on a Saturday, making Apr 19, 2004 the actual deadline. The second British application was published on Aug 13, 2003 as GB2384970A and was granted on Feb 18, 2004 as GB2384970. The third British application was published on Mar 24, 2004 as GB2393104A and is pending.
